## Explanatory notes

### Attainment: JPAF Steps

A new Jersey Primary Assessment Framework (JPAF) was first used in schools in Jersey in the 2015/2016 academic year, following the introduction of the 2014 Jersey Curriculum. Under the new assessment framework, the terms 'Emerging', 'Developing', and 'Secure' are used to show the extent to which a pupil has understood and can apply what they have been taught across the year.

When pupils reach the end of a Key Stage (i.e. Year 2 and Year 6), a teacher assessment will be completed. For most pupils, the assessment judgements (JPAF Steps) will correspond with the curriculum objectives for the chronological year group that they are in. For example, a pupil in Year 6 may be assessed as 6 Emerging, 6 Developing, or 6 Secure. Pupils assessed against curriculum objectives below their chronological year group are likely to have identified Special Educational Needs (SEN), or other significant barrier(s) to learning.

### Attendance

Attendance measures represent the percentage of all available sessions that were attended by pupils (there are 2 sessions available in each school day: am and pm sessions). The overall attendance rate represents the percentage of sessions attended by all pupils in the school (not just those reaching the end of a Key Stage).

### Measures for Jersey

Measures of attainment and progress for Jersey as a whole reflect all pupils in all States schools (non-fee paying and fee-paying) and non-maintained schools, but exclude pupils in special schools. Attendance rates for Jersey as a whole are calculated across States schools only, both non-fee paying and fee-paying.

### Pupil numbers

Pupil numbers reflect pupils in Reception to Year 6 (i.e. excluding pupils in nursery class) recorded in the January 2017 school census.
