12. I would recommend this school to another parent	59.1%	38.7%	2.1%	0%
Overall approval %	97.8%		2.1%	

Samples of comments made by parents on the survey forms:

- “My child has made amazing progress with speech since starting Janvrin School.”
- “It would be nice to be informed of when a child has succeeded or achieved well at work or behaviour and not only if they haven’t.”
- “The works going on outside of school are hazardous for children walking to and from school, with trucks etc. reversing in and out of the site.”
- “Any concerns have always been taken seriously and actions taken. I could not wish for a better school for my child to attend.”
- “I would like to be informed a bit more about the detail and structure of the day and plans of days and weeks to come.”
- “There are too many emails on a daily basis: these could be compiled into a single email.”
- “My child’s teacher and teaching assistant are spectacular- I couldn’t be happier. The After School Club is a saviour.”
- “All of my children have attended Janvrin School and all have different personalities, strengths and weaknesses. Each of them has left with a solid foundation to achieving their full potential. I think we are fortunate to have a bespoke teacher focussing on sport for all abilities.”
- “Cannot comment on bullying as I’ve never heard of any at Janvrin.”
- “I feel bad behaviour should be dealt with in a more serious manner.”
- “My child was a bully victim last year and no one could identify the situation.”
- “I feel a lot of incidents happen during lunch time. My concern is that the supervisors are not properly trained and there aren’t enough of them.”
- “Concerns over lunch supervision as my child comes home not having eaten their lunch. I also question the time allocated for lunch.”
- “There have been some incidents of bullying by children in the same year group and older children.”
- “The entire Janvrin team: thank you very much for providing such a safe environment for my children and showing great progress in developing reading, writing and mathematics skills.”
