

Week Beginning: 6th April 2020

Useful Web Links - Year 1

Twinkl.com

One of the main sites that may be useful to a lot of parents is Twinkl. During the outbreak they are offering free access to their whole site. This is a site that many teachers would use for ideas so it is highly recommended. You will see that some of the previous home learning tasks have come from here. To get your free access please follow the instructions below.

1. How do I sign up for the free month?

Step 1: Go to www.twinkl.com/offer

Step 2: Enter the code you have received, or CVDTWINKLHELPS if you have not yet been given a code

Step 3: Share the offer code and website link with anyone who could benefit

Oxford Owl

<https://www.oxfordowl.co.uk/>

This is a site that gives you access to many free online story books but if you want to sign up to this website it will give you access to many more books for all ages and abilities.

Primary homework Help

<http://www.primaryhomeworkhelp.co.uk/>

This is a site that has a lot of information for all ages. However for Year 1 I would mainly focus on the maths and science section.

Science: Plants and animals

Maths: this weeks focus would be fractions

Top Marks

<https://www.topmarks.co.uk/>

This site has many interactive games. Some may not work on all devices but it is worth having a look at. This is a particularly good site as it also links you to other sites that give you yet more activities/interactive games/worksheets to try

Phonics Play

<https://www.phonicsplay.co.uk/freeIndex.htm#>

This is a lovely website and luckily they have made it free, so you can access all the activities. Please see below for password.

Free resources

Currently all our resources are free, even those that usually require subscription.

To gain access to all our resources, please login with the following:

username: **march20**

password: **home**
