Spring 2 Nursery Curriculum Letter

February 2026

Literacy

This half-term, we will continue to introduce a sound of the week and begin to blend those sounds to read words. Each morning, the children will vote for their book of choice to be read at the end of the day.

Maths

The children will explore the composition of 5 using a variety of resources including numicons, interlocking cubes and peg boards. We will review positional language to describe movement across obstacles and route maps.

Understanding the World

As we approach Spring, the children will be learning about lifecycles, signs of Spring and planting seeds. Nursery will welcome some new class pets: Caterpillars! We will observe and document their growth as they change and transform into butterflies.

Music and P.E.

- Play sing and grin! Making friends whilst playing percussion.
- We will be working hard to develop our skills when controlling objects, such as: throwing, catching, kicking and striking.

Dates to Remember

- Wed 4th & 11th March - Forest Friends
- Thurs 5th March - World Book day Character Costumes
- Fri 13th March 2pm-2:30pm - Mother's Day Cookie Decorating with Mums
- Tues 31st March 2:15pm-2:45pm - Let's Talk Together, Math Edition
