

# MATHEMATICS

- Geometry
- Position and Movement
- Graphs and Averages
- Negative Numbers

# ENGLISH

Class reader: Pig Heart Boy by Malorie Blackman

Writing focuses to be covered:

- Narrative

# PSHE

This half term, our topic is 'Health and Well-Being'. We will be focusing on mental and physical health. You Matter will also be visiting us to deliver their Reproduction, Pregnancy and Birth workshop.

# SCIENCE

Within Science we will be exploring the functions and components of the circulatory system and investigate and recognise the impact different lifestyle factors have on the way our bodies function.

## YEAR 6 SUMMER 1

# DT

Artist Focus: Jackson Pollock  
We will be practicing 'active' painting and focusing on expression of our feelings and experiences using different tools to create shape and fill the canvas space.

# LANGUAGES

In French we will be learning to:

- Ask and answer key questions
- Revise key vocabulary within topics
- Body parts.
- Adjectives and description.

# RE

Religion: Christianity  
Key Question: For Christians, what kind of King is Jesus?

## MUSIC

It's show-time and with the show being earlier than usual we need to get practicing our songs and lines. Thank you to all those of you who have been helping the children to learn their words, it makes such a difference to the flow.

## PE

This half term we will be taking part in athletics themed lessons where we will develop our running, jumping and throwing. We will also continue to apply skills in modified versions of games such as Floorball and Volleyball.

## COMPUTING

We will be exploring the exciting world of 3D design and printing. They will learn how 3D printers work and use child-friendly software, such as Tinkercad, to design their own models. As their confidence grows, they will develop key skills in creating and refining digital designs.

## HOMEWORK

### Must:

- Read library book and record in Reading Log for Mondays.
- Access TTRS independently at least 3 times a week.
- Learn Y5&6 word list.
- Practice papers and revision for SATs.

### Could:

- Complete 2 projects from the topic list

## YEAR 6 SUMMER 1
